

IDEA-0038

Copy 4 of 4
14 November 1960

MEMORANDUM FOR: Headquarters, United States Air Force
AFCIG-5
Assistant to the Inspector General for Special Projects

SUBJECT : Support of [] Detachment

1. It is suggested that a Logistics Support Plan for subject Detachment be prepared. This office will provide every assistance in its preparation.

2. Request that a shipping designator be assigned for the support of subject operations.

3. Request that 50,000 gallons of MIL-F-2552A Fuel be shipped to [] for use by this Project. This should represent approximately five months consumption and this office will collaborate in determining future fuel shipments as follow-on support.
